EXPECTED OUTPUT:

This program allows you to search for places of interest near a target location. For each search, you will be asked for a target radius, and a search string for name and tags. If you don't want to filter on name and/or tag, simply hit enter to see all results.

target? found Atlanta

radius (0 to quit)? name filter (enter for none)? tag filter (enter for none)? distance: 163.14685011543787
